June 2015

Summer

We want to make the most of the good weather so if you could please put suncream on your child before they come to school and send a sun hat. Also no open toe sandals are to be worn at school.

Cycle Track

The cycle track is now up and running. All pupils have had a go on the various cycles and are enjoying the experience. We really appreciate all the help and support you have given to make this project possible.

E Safety

Do you know what your child is doing on the computer/iPad etc. at home, who are they talking to? E Safety is something we take very seriously at school, we had Dan Hawbrook in to visit pupils in May. Details of a parents session will follow shortly.

Culture Week

Week beginning 15th June is our culture week, this year we are looking at Our Community. All our lessons will be based on the diversity and culture in our locality.

Didgeridoo

We continue to have regular sessions with Greg Chapman, which enable our pupils to relax and be more able to access other activities.

Parents Afternoon

Parents afternoon will be held on Tuesday 30th June 2015 where you are invited to come and discuss your child's progress with their teacher.

Parents Group

All parents are invited to attend the monthly parents group meetings which are held at The Tree House Nursery at East Kirkby first Wednesday in every month at 10 am. We are looking at alternative venues for the parents group so we can meet in local areas such as Skegness, Spilsby and Coningsby. Hopefully this will enable more parents to be involved.
